

Have you registered in PDMP?

**JULY 1, 2017
DEADLINE!**

Mandatory registration in PDMP is key to addressing the opioid epidemic in Maryland.

WHO MUST REGISTER?

Prescribers: Physicians (including residents), physician assistants, nurse practitioners, nurse midwives, dentists, podiatrists, or veterinarians with CDS prescriptive authority in Maryland.

Pharmacists: Pharmacists licensed to dispense CDS in Maryland.

Delegates: Delegates may include both licensed practitioners without prescriptive authority and non-licensed clinical staff that are employed by, or under contract with, the same professional practice or facility where the prescriber or pharmacist practices.

Time is running out!
